Von Tamara Summers : Never Bite a Boy on the First Date before purchasing it in order to gage whether or not it would be worth my time, and all praised Never Bite a Boy on the First Date:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooKira's in a bit of a situation. She's a vampire, and one of her classmates was just found dead with obvious fang marks in his neck. Now, her guardians think she's the culprit, even though she didn't do it. Since no one believes her, Kira decides to solve the issue on her own. She has three suspects, all of whom happen to

be very cute. Will Kira fall for the killer, or learn his identity in time? NEVER BITE A BOY ON THE FIRST DATE is another fun addition to the world of vampire fiction. While it didn't blow me away, I had fun while I was reading it. It's a cute romantic comedy with a vampire twist. Kira was a solid main character. She was funny, nice, and easy to relate to. The three boys in her life were all quite enticing, as well. They were sweet and livened up the story, but I found them to be somewhat indistinguishable. Each one blended into the other while I was reading. The plot moved along quickly enough as Kira tried to solve the murder in time while keeping her wits about her. I had no idea who the killer was until the very end. I had suspicions about the real killer in the very beginning, but completely forgot about them until the end. I liked the guesswork involved in this book and was glad it wasn't too predictable. Though a bit too much on the light side for my liking, this is a quick read that will entertain young girls looking for more vampire fiction to devour. Reviewed by: McKenzie Tritt

Kurzbeschreibung If you think all vampires are brooding, angst and hair gel, this murder mystery, high school romantic comedy will make you think again. Newly-turned vampire Kira has earned a reputation for breaking rules. So when a student is murdered at her high school, all fingers point to Kira. In order to prove her innocence she has to show them that there's another vampire in town. She's pretty sure it's one of three new guys who've moved in recently. Dating three cute boys may be fun, but which one is the murdering vampire? And what if he's the boy she's falling for?
