Von David Barton : New England Primer (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised New England Primer (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.
Excellent supplement for primary students or gift for teacher Von Ein Kunde This little book was a standard primer from the seventeenth through the eighteenth century in America. It teaches reading and vocabulary based on Biblical and

theological facts. My children love it. Its theology is reformed theology, with which I am often in disagreement, however it provides an excellent basis for imparting Biblical values while teaching children to read.

Kurzbeschreibung The New England Primer was the first textbook ever printed in America and was used to teach reading and Bible lessons in our schools until the twentieth century. In fact, many of the Founding Fathers and their children learned to read from The New England Primer. This pocket-size edition is an historical reprint of the 1777 version used in many schools during the Founding Era. A great resource for homeschoolers or for use in any classroom.
