**Von Arline Zatz : New Jersey (Best Hikes With Children)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised New Jersey (Best Hikes With Children):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. 75 great ideas for stimulating mind and body Von Ein Kunde This book is very well laid out from the initial NJ map showing the location of all the sites to the pertinent information given at the beginning of each hike, the excellent site maps and the handy signs in the margins. The writing is clear, interesting, filled with geological and historical background

information, points of interest, helpful suggestions and cautionary notes. I have ventured out on several of the hikes and they've been great. Would recommend to anyone interested in hiking in The Garden State, with or without children.0 von 0 Kunden fanden die folgende Rezension hilfreich. A useful book covering the entire stateVon Ein KundeMany long-time New Jersey residents have never truly explored all the state has to offer. This easy-to-read book guides us to a variety of family-friendly places with clear maps and directions. It's a great way to get outdoors and see the state.0 von 0 Kunden fanden die folgende Rezension hilfreich. a waste of time and moneyVon Ein KundeThe local tourist authority has better hiking tips than the old fare the Zatzes warm over. The chipper tone hurts one's teeth and makes Kathie Lee Gifford seem pensive and profound.

KurzbeschreibungBig fun for little feet-discover the best hikes for kids in the Garden State \*85 hikes chosen for kid appeal (15 trails new to this fully revised edition) \*Short, fun hikes between 1 to 8 miles, clearly rated easy to difficult \*Tips on hiking with children and engaging them in the natural world From the northern highlands of New Jersey to the beaches and pine barrens in the south, this popular guide is written from a child's eye view (but always emphasizes safety). Kids can check out an accessible beaver colony along the trail at Heddon Park; scamper over huge boulders while overlooking the Hudson River; or look for ersatz diamonds on a Cape May Beach. Trail descriptions highlight points of interest, opportunities for learning about nature on the trail, best places to camp or fish, and more.KurzbeschreibungBig fun for little feet-discover the best hikes for kids in the Garden State \*85 hikes chosen for kid appeal (15 trails new to this fully revised edition) \*Short, fun hikes between 1 to 8 miles, clearly rated easy to difficult \*Tips on hiking with children and engaging them in the natural world From the northern highlands of New Jersey to the beaches and pine barrens in the south, this popular guide is written from a child's eye view (but always emphasizes safety). From the northern highlands to the beaches and pine barrens in the south, this book will guidey ttebs of the Garden State. Hike the Kittatinny Mns.for unbeatable vistas; scamper over huge boulders while overlooking the Hudson River; discover birds, reptiles, and mammals; and much more. The majority of hikes can be done in a day; some can be turned into overnight camping trips. Detailed descriptions of trails include a quick-reference heading with information on distance (from 1 to 8 miles round-trip), difficulty (from easy to more challenging), elevation gain, and best time to go, making it easy to match hikes to skill and energy levels. My book includes useful tips on hiking with kids, safety, and encouraging environmental awareness. I guarantee you'll love my book and will look forward to the next hike
