Some good infos...Von Heide...but concerning the North of Seattle not actual anymore...This city expands and changes so much, that it was of best use for us (can't speak for everyone) to travel Seattle for some days and drive around in the neighborhoods...Some useful information about everything concerning offices, shops and restaurants. We didn't use it a lot, just in the beginning to get an idea of the town...not bad, but I wouldn't necessarily recommend it...
