An Excellent Read Von Brian j Kelso A very fast paced book, Jake is a character with whom i expect to see several sequels, I'd rate the character to have the ability to compete with a Dirk Pitt, Lucas Davenport, and a John Becker.....Need i say More...

Kurzbeschreibung Jake Nacht, a hit man with 17 kills, works for the mob on a freelance basis. As he sees it, he's helping haul out the trash by killing mobsters. Mr. C., a mob godfather, has his henchman Fredo hire Jake to kill US Senator Weingarten during a speech at an outdoor rally. But Jake is double-crossed and winds up paralyzed, his spine severed. Then nurse Angela and her uncle Dr. Graham sneak him into a new, highly experimental program aimed at rebuilding spinal cords. "Refreshingly off-beat, fact-paced medical thriller. The slam-bang action is addictive." Publisher's Weekly "A page-turning book...keeps the reader going, wondering where all the twists and turns will lead." The Poisoned Pen This is a dazzling collaboration...Jake Nacht is a mob assassin who as a youth is shuttled between foster homes and ends up with a sharpshooter named Sarge, who trains Jake to be a crack shot...Jake takes over the family business as a mob sniper. There are many satisfying characters...the pace is as rapid as an accelerated heartbeat."
