Alle Mangafans die auf eine tiefgrndige Story, gut ausgearbeitete Charaktere und vielleicht ein bisschen Fanservice stehen sollten es sich unbedingt kaufen!

Ein Must-Have!

Kurzbeschreibung "THE MANHUNT IS HERE!" The rumors were true! Armored vehicles from No. 6 roar through the gate into West Block, massacring the helpless and arresting everyone else. Amid the chaos, Shion and Rat realize this could be their only chance to get into the Correctional Facility and save Safu. But when they do make it inside, what they find is worse than anyone could have imagined... PRAISE FOR THE ANIME "Sadly beautiful in places, hauntingly violent in others, No. 6 [is] worth your time." - Anime News Network "No. 6 is science fiction the way it's meant to be - boundary pushing... and completely spellbinding." -Inside AX
