Von Tom Bower : No Angel: The Secret Life of Bernie Ecclestone (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised No Angel: The Secret Life of Bernie Ecclestone (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. No AngelVon Philip G.C. KaesFor Formula 1 fans an interesting biography of the Godfather of this sport . Alas, it is

chronologically confusing and jumping, and sheds no real new light on the subject. The author did not manage to decipher the character of Mr. Ecclestone, and the opportunity to clarify ownership structure and real beneficiaries of the multi-billion \$ sport remains hazy, despite the extraordinary access the author seems to have had. The help of an economic/ financial journalist could have been valuable to the author, who seems more on the yellow press end of the spectrum. Also, the amount of photographs is disappointing, they could have compensated somewhat, if chosen carefully.

Kurzbeschreibung 'I'm no angel.' Bernie Ecclestone Born into poverty, Bernie Ecclestone has made himself a billionaire by developing the world's second most popular sport - Formula One racing. Private, mysterious and some say sinister, the eighty-year-old criss-crosses the globe in his private jet, mixing with celebrities, statesmen and sporting heroes. His success is not just in creating a multibillion-pound global business but in resisting repeated attempts to snatch the glittering prize from his control. Ecclestone has never before revealed how he graduated from selling second-hand cars in London's notorious Warren Street to become the major player he is today. He has finally decided to reveal his secrets: the deals, the marriages, the disasters and the successes in Formula One racing, in Downing Street, in casinos, on yachts and in the air. Surprisingly, he has granted access to his inner circle to Tom Bower, described by Ecclestone as 'The Undertaker' - the man who buries reputations - and has given him access to all his friends and enemies. All have been told by Ecclestone, 'Tell him the truth, good or bad.' No Angel is a classic rags-to-riches story, the unique portrayal of a unique man and an intriguing insight into Formula One racing, business and the human spirit. Tom Bower is the author of nineteen books, including biographies of Robert Maxwell, Mohamed Fayed, Gordon Brown, Richard Branson, Conrad Black and more recently, Simon Cowell.
