This book is awesome and is about the nicest guys Von Ein Kunde This book is the best, no authority are the sweetest and most lovable guys, my friend and I loved them since 1997. They are one of the groups that DO have talent and CAN sing. not some cheap put together for the market kinda thing. I love no authority and so many others do too I met them August 15th and they are the best. pics !!!

Kurzbeschreibung The guys of No Authority have a pretty cool job. They get to do what they love (sing and perform) all the time. They get to work alongside their best buds (each other). And they have a pretty cool boss (Michael Jackson). Plus, with their sweet, slammin' music and super-hot good looks, these boys have throngs of screaming girls chasing them everywhere they go. Not bad for a boy band of four teenagers from Cali! Now find out what goes on off-state and behind the scenes, their plans for the future, their favorite things to do, and the kind of girls they think are fine!

Autorenkommentar Read the true inside story of four fabulous fellas!!!! This book has trivia, quizzes and hot web sites to check out along with concert reviews written by fans like you. Get ready to meet the four hotties of No Authority. A mix of the best of today's bands, this California foursome comprised of Eric Stretch, Ric Felix, Danny Zavatsky, and Tommy McCarthy are awesome. They've got the three major Rs every band needs to succeed - rhythm, rhyme and rapping. With highly choreographed moves, harmonizing voices and the right look they promise to be the hottest band of the millennium. Upon hearing their demo, Michael Jackson signed them on the spot to his record company, MJJ. Their first CD, Keep On, filled with upbeat dance songs and heartfelt ballads, had two huge hits, Don't Stop, and One More Time, proving these guys have what it takes to make it big. Find out what it's like to be on tour, how they feel about their fans and what they love best about performing. Get an insider's look into each band member's personal life, their tight, but sometimes rocky friendship, and what each is looking for in a girlfriend. Lastly, you'll get the real scoop on who their biggest influences are, why Josh dropped out of the group and how they became an overnight success. Hope you enjoy the read.
