A very engaging story about a passionate Christian musicianVon Dr. Marc AxelrodWow, what a refreshing book. Keith Green was so fired up for the Lord, and this book is almost as gripping as his music is. Keith's passion for Christ and for those who are outside of Christ comes shining through in this book. It made me relive my own days as a new

believer in Christ. Reading about how Keith opened his home up to those who needed ministry and how he challenged everyone around him to a closer walk with God made me more resolved to do the same in my own life. Sometimes Keith was a little too pushy with his faith, but it reminded me that so was I. Most of all, this book helped me to love Jesus even more. 2 von 2 Kunden fanden die folgende Rezension hilfreich. This book will be the turning point in my life... Von betsey welfelt If you are you looking for answers to life's questions or if you are a Christian dissatisfied with complacent, commercialized, and fake Christianity, this biography of Keith Green's life is for you. Being a student, I'm not usually interested in reading any more books than I have to for class, but I couldn't put this book down. After reading a few pages, I went out and bought 2 of Keith's CD's. I'm 19 and the style of his music is not exactly what my generation listens to, but his music and this book are full of transparent passion that's so addicting! I want all my friends to read this book, so I'm passing it around. But at the same time, I want to hold on to it so I can be inspired again and again. This book consists of journal entries written by Keith and song lyrics mixed with his crazy humor. It reveals Keith's searching for something more in life and his finding--Jesus Christ. Never have I read about such an average guy who was transformed into someone with such a burning desire to serve the Lord and a nakedness before God! This book has challenged me to re-evaluate what is eternally important in my life. Keith is dead, but his testimony lives on and I want to continue his dream of reaching the lost with hope of a Savior. Thank you Melody, for sharing the life of your husband with those who weren't alive at the time of Keith's ministry. His testimony has changed my life. 3 von 3 Kunden fanden die folgende Rezension hilfreich. This Book Will Release a Revolution in Your Life! Von Ein Kunde Are you yearning for "more" than a mediocre Christian life? Then you must read this book. At least my life has been revolutionized through this book. I recommend it especially to teenagers! Ask your mum that she may give you this book as a birthday gift.
