**Von Wilkie Collins : No Name (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised No Name (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 9 von 9 Kunden fanden die folgende Rezension hilfreich. The job of a highly intelligent first-rate artist. Von ANTONIO PETER-BLANCO This book is much less known than its famous brothers, "The Woman in White" and "The Moonstone" (I have read them both). It was written between them, and I think it is a very worthy companion to the pair. Mr. Collins was the son of a well-known painter and you perceive his gifted eye for describing characters and environments. He also had a great talent for devising plots and producing very

vivid, human and interesting characters. So, your reading enjoyment can be very rich and multidimensional. You can almost feel in the background the presence of the writer's very powerful mind behind the story, carefully describing very realistic scenes, with dashes of humor, irony and eccentricities, while keeping you keenly interested for almost 750 pages. Some of the characters and scenes in the book are gems, as the one of the rich and extreme miser, Mr. Noel Vanstone, in the agony of agreeing on the amount to inherit to his lifelong housekeeper, Mrs. Lacomte (who has been almost his mother). And this, while she is dictating to him the terms of his will ! Mrs. Wragge, his swindler husband, Magdalen and the Admiral are greatly portrayed. This is one of the few books that after finished, most probably will keep growing with you, and will keep its attraction in your memory for a long time. Mr. Collins's main works are so high-quality, that you'd be a much more selective reader afterwards. I would recommend also his "Armada" (this I haven't read yet, but soon will).3 von 3 Kunden fanden die folgende Rezension hilfreich. Ins 19. Jahrhundert zurckversetzt...Von AlexandraEs handelt sich bei "No Name" nicht um einen Kriminalroman wie "The Woman in White" oder "The Moonstone", in dem rtselhafte Vorkommnisse nach und nach aufgeklrt werden. Trotzdem ist dieses Buch vergleichbar spannend. Man kann sich sehr gut in die Handlung einfhlen, die Charaktere stehen einem bildhaft vor Augen und der Schreibstil von Wilkie Collins ist wirklich wunderbar.3 von 3 Kunden fanden die folgende Rezension hilfreich. One of most interesting novel of Collins'Von Ein KundeThe heroine was too progressive to be appreciated correctly the time this novel was written. The style is a little bit old and fictitious, but I bet today's readers can enjoy it and sympathize with her.

KurzbeschreibungThis book was converted from its physical edition to the digital format by a community of volunteers. You may find it for free on the web. Purchase of the Kindle edition includes wireless delivery.From Library JournalCollins's 1862 novel offers up the fate of Magdalen Vanstone, an illegitimate child who struggles to reclaim her dignity after falling from grace in Victorian society.Copyright 1995 Reed Business Information, Inc.PressestimmenA relatively unknown masterpiece.
