**Von John Jay Hughes : No Ordinary Fool: A Testimony to Grace** before purchasing it in order to gage whether or not it would be worth my time, and all praised No Ordinary Fool: A Testimony to Grace:

Kurzbeschreibung Why does a gifted boy from a privileged Establishment background decide, at the age of twelve, to spend his life as a priest? And what moves him, after six happy years in the Anglican priesthood, to enter the alien world of Roman Catholicism? In a gripping narrative full of humor and self-directed irony, John Jay Hughes tells of the loss of his mother at age six, entry into the Catholic Church at the cost of estrangement from his beloved Anglican priest-father, his lifelong search for God in prayer, and his joy in priesthood, 'all I ever wanted from age twelve.'
