Von Lee McCann : Nostradamus: The Man Who Saw Through Time (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nostradamus: The Man Who Saw Through Time (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. this is a re-issue Von Ein Kunde I have read this book about 10 years ago. So please forgive me. This Title was originally published by the creative press in July of 1941. so if you are into seeing the changes in the interpretations of the

Quatrains over the last 58 years, this is a book for you. If you are into reading the quatrains themselves, than this is also the book for you. I enjoyed reading it, and occasionally pull it out after seeing a documentary about the predictions.

Kurzbeschreibung Lee McCann's riveting book gives us a fascinating glimpse into the life of Michel Nostradamus-- part historical novel, part academic examination of the accuracy of Nostradamus' prophecies. Both are readable and enjoyable, just what the layman has been looking for! Since governments, sects, and countries will undergo such sweeping changes, diametrically opposed to what now obtains, that were I to relate events to come, those in power now-- monarchs, leaders of sects and religions-- would find these so different from their own imaginings that they would be led to condemn what later centuries will learn how to see and understand. -
