read the book of jews for jesus "Testimonies" about jews who have converted to jesus. I had a very good impression. It seems that the above mentioned reader hates evangelics, the jews and even jesus.0 von 3 Kunden fanden die folgende Rezension hilfreich. A Missed Opportunity Von Ein Kunde Jews for Jesus is one of those strange groups which is orthodox in terms of Christian doctrine as presented to the public, but unorthodox in terms of un-Christian behavior toward its own members. The organization has long sought to live down its reputation in Christian missionary circles as heavy-handed, paramilitary, and cruel to its own members. When it came time to write an official biography of the organization and its retiring founder, Jews for Jesus sought and found an author who would whitewash its social aberrations while giving a glowing report of its theological orthodoxy and missionary zeal. Sadly, they found such a biographer in Ruth Tucker. Nevertheless, and despite her attempt to whitewash certain aspects of the organization, the reader is likely to be shocked at the extraordinary amount of power wielded by the wealthy leader of this "mission" over the lives of those who make a covenant of loyalty to him to direct their lives, even approve their marriages, and dispense reward and punishment on behalf of the Lord. Perhaps Ms. Tucker did not find these things strange; one might hope that the supporters of Jews for Jesus will.

Kurzbeschreibung Not Ashamed: The Story of Jews for Jesus chronicles the exciting birth and development of this high-powered evangelistic movement. Historian Ruth Tucker presents an unbiased, clear perspective on the fresh band of youthful zealots who, led by Martin "Moishe" Rosen, took to the streets of San Francisco in the early 1970s to win their world for Christ. Their compelling sidewalk evangelism and "broadsideing" of passersby with pointed, self-published tracts, produced massive conversions in the "Jesus People" era, and almost immediate conflict with Orthodox Jewish church leaders, who held that no one could be a Christian and a Jew at the same time. Fascinating reading! From the Trade Paperback edition.
