Von Jeremy Schoemaker, Kate Sprouse : Nothing's Changed But My Change (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nothing's Changed But My Change (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Price?Von Ritchie datenschmutz PettauerPricey book... especially since the same paperback costs \$14.95 on .com. I would even order it for 20 Euros... but 2k just seems out of range - a tiny little bit.0 von 0 Kunden fanden die folgende Rezension hilfreich. Witziges durcheinanderVon andymobilelivesViele Gedankensprnge und Querverweise. Es is kein Ratgeber sondern eine Autobiografie.lesenswert und motivierend.Ziemlicher Hang zu halbseidenen Ideen.Mir hat es gut gefallen

Kurzbeschreibung This world of ours has changed, if you haven't noticed. The way we communicate, consume, shop, swap and date has all changed--we have all changed--because of the internet. But perhaps it has changed one man, most of all. This is the true rags to riches, recluse to extrovert, fat to skinny ShoeMoney Story. Penned with the same irreverence for authority and grammar as his widely read blog (shoemoney.com), Nothing's Changed but My Change chronicles the journey from a difficult childhood as the fat "dumb" kid to a grown-up place of prominence, wealth, and happiness as one of the world's foremost internet marketers. At times it's philosophical, provocative and downright hilarious and at others it's a cursory how-to manual for making a buck and spending it wildly. Transparent and shockingly honest, you can't help but like and identify with the brazen narrator and finish his story with a renewed sense of your own self-confidence and hope. In the end, Schoemaker--the man behind the alias--leaves us with a final understanding that anything's possible if you celebrate yourself and embrace your natural talents because--as he's learned--that's the stuff that never changes.
