Von Alex Flinn : Nothing to Lose before purchasing it in order to gage whether or not it would be worth my time, and all praised Nothing to Lose:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
bemerkenswertVon sabrina pdieses buch ist mir lange im gedchnis geblieben, es ist so ehrlich und autentisch. auch
dieser sprung der handlungen dieses jahr/letztes jahr ist nicht verwirrend sondern richtig gut. man will endlich wissen
was wirklich passiert ist, und kann es dann gar nicht glauben.Alex flinn beweist hier, das sie nicht nur mrchen wie

Beastly schreiben kann!

Kurzbeschreibung I shouldn't have come back to Miami . . . I've been escaping cops' notice for a year now. I'm no longer Michael Daye, high school athlete with a promising future. Now I look like someone with no future. When Michael saw a chance to leave town with a traveling carnival a year ago, he took it. Back then, his home life was spinning violently out of control. The carnival, with its "no questions asked" policy, seemed like a welcome escape. But now Michael's job has brought him back to Miami, where his mother is on trial for murder, making him wonder how much longer he can hide from his past . . . and his future. *Pressestimmen* A heartrending, unforgettable book. (School Library Journal) An absorbing read. Readers will appreciate seeing a tough topic taken beyond melodrama. (Bulletin of the Center for Children's Books) A fast-paced, readable mystery that is rooted in the psychology of battered spouse syndrome and its impact on the entire family. (ALA Booklist) The dialogue crackles with danger and attitude; the plot contains enough twists and revelations to keep readers riveted. (The Horn Book) Arresting. As she did in *Breathing Underwater*, Flinn does a masterful job of exploring domestic violence. (Kirkus's (starred review)) Kurzbeschreibung I shouldn't have come back to Miami . . .
