Von Harper Bibles : NRSV Catholic Edition Bible before purchasing it in order to gage whether or not it would be worth my time, and all praised NRSV Catholic Edition Bible:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. zugleich getreu dem Geist des biblischen Textes und in guter SpracheVon Elisabeth SiemerDer englische Text liest sich hervorragend und verstdlich in heutiger Sprache.Zugleich ist er eine treue Widergabe des Urtextes wie Vergleiche

und Stichproben immer wieder zeigen.

KurzbeschreibungThe New Revised Standard Version is the "standard" translation used by mainline Protestant churches, Orthodox churches, and by many Catholics. The NRSV debuted in 1989 and is owned by the National Council of Churches, which is the leading force for ecumenical cooperation among Christians in the United States representing thirtyfive denominations with fortyfive million members in more than 100,000 churches across the country. They have chosen HarperCollins to be the exclusive licensor of the translation for the world (nonexclusively in the UK). The New Revised Standard Version is recognized in scholarly circles as the most accurate translation into English of the original Hebrew and Greek texts. In the tradition of its predecessors, the King James Version and the Revised Standard Version, the NRSV was designed to be the "standard" version for Englishspeaking people across all denominations, which in many ways it has become. None of the new, more sectarian translations have approached its standards of elegance and accuracy.This unique onecolumn setting allows people to read the Bible as work of literature. Each book is introduced with an original woodcut. Overall, this special easytoread setting makes the Bible a wonderful reading experience. It also includes a concordance index to help people find key passages.This special Catholic edition includes all 23 books of the Catholic canon, a presentation page, and a ribbon.
