Von Niall Williams, Christine Breen : O Come Ye Back to Ireland (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised O Come Ye Back to Ireland (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Wer Irland liebt...Von XeowynWer das erste Mal nach Clare, Tipperary, Ennis, Galway oder Lisdoonvarna reist, der sollte vorher dieses Buch lesen, das von der jngsten Vergangenheit erzht, von den Jahren, als die Europäische Union noch jung war. Dann kann er sich ganz in Ruhe berlegen, ob sich ein Vergleich zu heute lohnt und ob er ber seine Reise schreiben solle. Denn, wer Irland liebt, vor allem auf den ersten Blick, kann mit diesem wunderbar geschriebenen, kleinen Buch anfangen, dessen Vergangenheit kennen zu lernen. Er fngt an, Vergangenheit als etwas zu begreifen, das nicht tausend Jahre her sein mu. Das wunderbar geschriebene und sogar sehr gut bersetzte Buch erzht vom Beginnen "reiner Toren" in einem harten und trotzdem schen Leben in einem fremden Land, das sie zur Heimat machen. Wer

Irland liebt, wird die Aufforderungen finden: Komm wieder! Lies noch mehr!

Von Ein KundeThis first book in the series is a favorite of mine and chronicles the story of an Irish-American woman and Irish man who meet in NYC, marry, and decide to return to their roots in the west of Ireland. They are both writers by trade and she is an artist, so it becomes a beautifully written story about their new lives, their new neighbors and the humorous things that happen as they readjust their thinking and attitudes. Each of us has probably at some time or other entertained the idea of "getting away from it all"--Christine and Niall have and share the trials and joys that come with living your dream. As an aside, I met Niall Williams at a book signing in Chicago, and he is as personable and approachable as he seems in print. Be prepared to read all the books in the series!
0 von 0 Kunden fanden die folgende Rezension hilfreich. Mostly interesting tale of culture shock
Von Melanie EspinoAs a lover of Ireland, I was anxious to read about their experiences. It was interesting, although stories about the West were definitely limited to farming and gardening, which was a little boring at times. I sometimes found myself approaching it as something I had to finish, but it wasn't a can't-put-it-down book. All in all, it was interesting and pretty humorous most times. Culture shock is always interesting to read about.

KurzbeschreibungNiall Williams and Christine Breen co-wrote four non-fiction books of living in the west of Ireland. Originally published by Soho Press in NYC, they are now available as eBooks, beginning with the popular O Come Ye Back to Ireland: Our first year in County Clare. Niall and Christine left their careers in New York City for a simpler, more authentic life in a cottage outside the tiny village of Kilmihil in County Clare. This small charming book sold out four times when first published. The authors abandoned their careers in New York and emigrated to Ireland to live out their life's dream. (As seen on CBS Sunday Morning and Good Morning America.) Perceptive and balanced and altogether delightful. -Chicago TribuneTheir tale is a delightful romance. -The New York Times Book reviewThis charming little book is about all the surprises that come from living out a dream. -San Francisco ChronicleSimple, sincere and succinctA delightful book. -Kansas City Star
