Denkmal Von Liberaler Diese Sammlung enthält folgende Gedichte: Robert Browning: How they Brought the Good News from Ghent to Aix George Eliot: O may I join the choir invisible George Eliot Nature's Lady John Keats: To a skylark Elizabeth Barrett Browning: Mother and Poet Nachteilig wirkt sich aus, dass die Verfasser der Gedichte nicht genannt werden. Auch die Formatierung ist alles andere als lesefreundlich. Ansonsten ist die Qualität der Gedichte durchwachsen. Empfehlenswert ist die Sammlung insbesondere wegen des Gedichtes "Mother and Poet". Elizabeth Barrett Browning hat der Mutter, deren Shne in den Kampf ziehen und "fallen", ein selten beredtes und eindringliches Denkmal gesetzt. Diese Abwägung des Werts der Freiheit gegen den des Lebens ist höchst geglückt in ihrer Subjektivität.

She is the author of seven novels, including Adam Bede (1859), The Mill on the Floss (1860), Silas Marner (1861), Felix Holt, the Radical (1866), Middlemarch (1871/72), and Daniel Deronda (1876), most of them set in provincial England and known for their realism and psychological insight. She used a male pen name, she said, to ensure her works would be taken seriously. Female authors were published under their own names during Eliot's life, but she wanted to escape the stereotype of women only writing lighthearted romances. She also wished to have her fiction judged separately from her already extensive and widely known work as an editor and critic. An additional factor in her use of a pen name may have been a desire to shield her private life from public scrutiny and to prevent scandals attending her relationship with the married George Henry Lewes, with whom she lived for over 20 years. Her 1872 work Middlemarch has been described by Martin Amis and Julian Barnes as the greatest novel in the English language.
