KurzbeschreibungJake believes he is destined to live a life of one-night stands and short relationships, to the point where he's founded the Sowing Wild Oats Forever club with his best bud, Brad. When Brad gets married, the club is

forever split, but Jake finds himself attracted to the maid of honor. Anabel, or Bel, believes that sex is something you do only to enhance the love in a relationship, and while she's smitten with Jake, she finds herself conflicted given Jake's goals. His grandmother told him that he could never commit to one woman, and would just follow in the footsteps of the men in his life who cheated on his mom and grandmother. Can Jake settle down, or will Bel accept that the man of her dreams might eventually be a bitter memory?
