**Von Daniel Defoe : Of Captain Mission (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Of Captain Mission (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Whether true story or not, this is a milestone in humanity Von RaelI stumbled upon this story over 2 decades ago, while I did some research in Library of the Wolfgang-Goethe-University in Frankfurt/M about some other case. I found a short abstract of exactly this part of the "History of the Pirates" by "Captain Charles Johnson". I was fascinated and ordered

the original book over the Librarian, who managed to get it from a London University Library. I had access to the original for one week - only allowed to read it, while inside of the Library. So I had it in hands, the original 2nd Edition printed in 1725. The account of Captain Misson is really an early piece of socialist Literature, if written by Daniel Defoe, then this man deserves much more honor as he even enjoys. Its crazy to load it down to the Kindle now for Zero. What an ironic twist: I had to travel to my library a week long to get it, and now you just click on it to have it ^^

Synopsis "Defoe has been recognized as the author of A GENERAL HISTORY OF THE ROBBERIES AND MURDERS OF THE MOST NOTORIOUS PYRATES since 1932, when John Robert Moore suggested that the supposed author, Captain Charles Johnson, like Andrew Moreton, Kara Selym, or Captain Roberts, was merely another mask for the creator of ROBINSON CRUSOE. Although most of the first volume is of minor literary importance, the second section -- which appeared in 1728 as THE HISTORY OF THE PYRATES -- commenced with a life "Of Captain Misson and His Crew," one of Defoe's most remarkable and neglected works of fiction. In much the same manner and at the same time that John Gay was satirizing Walpole's government in THE BEGGAR'S OPERA, Defoe began to use his pirates as a commentary on the injustice and hypocrisy of contemporary English society. Among Defoe's gallery of pirates are Captain White, who refused to rob from women and children; Captain Bellamy, the proletarian revolutionist; and captain North, whose sense of justice and honesty was a rebuke to the corruption of government under Walpole. But the fictional Captain Misson, the founder of a communist utopia, is by far the most original of these creations."-- Maximillian E. Novak, University of Michigan
