Kurzbeschreibung From #1 New York Times bestselling authors Jodi Picoult and Samantha van Leer, OFF THE PAGE is a tender and appealing YA novel filled with romance, humor, and adventure. Delilah and Oliver shouldn't be together. But they are together. And just as they're getting used to the possibility that happily ever after may really, truly be theirs, the universe sends them a message they can't ignore: they won't be allowed to rewrite their story. Delilah and Oliver must decide how much they're willing to risk for love and what it takes to have a happy ending in a world where the greatest adventures happen off the page. Off the Page is just so sweet and magical. In high school, I would have given ANYTHING to crawl inside one of my favorite books to escape the real world. I wish!
