You Can Sense the Integrity Von Ein Kunde Baba Ifa Karade is dedicated to representing Orisa Worship in a pure fashion. This book is great reading for devotees, priest-to-be and those that believe that Orisa Worship's highest goal is to elevate your behavior and understanding of Life. I loaned it out, and almost didn't get it back! It could have been longer for me,

but I think it is perfect for lots of people.0 von 0 Kunden fanden die folgende Rezension hilfreich. Ojise: Messenger of the Yoruba TraditionVon valeria watsonAs a new student of Ifa/Yoruba, i found that this book gave me a clear image of the path of initiation and was instrumental in me taking the path myself. It is clearly a 21st century outlook on one of the oldest traditions.

KurzbeschreibungOjise: Messenger of the Yoruba Tradition is a journal of the day-to-day activities and rituals that Karade encountered in his quest for priesthood in the Yoruba religion. Embedded in this journal are the very emotions, ideas and changes in his psyche-and the healing of soul - that occurred on this journey. Karade explains the significance of the spiritual pilgrimage for people of all faiths.
