What a great book!Von Meghan McDonnellThis is a terrific book for use in the music classroom, and at home. As a book that can be either sung or read: it is versatile. It's large size and colorful illustrations draw kids attention. I have personally found it to be very effective with my kindergarten through third grade students. I highly reccommend it to anyone looking for a good book for younger kids that can be sung or read!1 von 1 Kunden fanden die folgende Rezension hilfreich. Schnes Buch, aber nur zwei Lieder auf der CDVon subito1973Ich habe das Buch inkl. CD fr unsere zweieinhalbjhrige Tochter gekauft. Das Buch mit zahlreichen Bildern und Illustrationen ist wirklich sehr schn gemacht.Etwas entuscht war ich von der CD, die nur mit zwei Liedern bespielt ist: "Old Macdonald hat a farm" MIT Gesang, und einmal ohne. Aber seis drum.Die beiden Lieder sind aber sonst sehr schn anzuhren, und meiner Tochter machen die Tierlaute sehr viel Spass.
