Great work by a great Saint, non-Orthodox publisher, foreword and introduction.Von JohannesThere can be no question about the worth of the original work by St. Ignatius Brianchaninov. It is an absolute treasure. One can easily find information about the Saint and his work online, so I will leave it at that. Unfortunately, very little of St. Ignatius' work has been published (this and "The Arena"), so I am very grateful that this translation exists.However, the publisher is anything but Orthodox. From the website:"IBIS PRESS/NICOLAS HAYS is dedicated to providing the finest spiritual literature available today. We specialize in publishing books from both classic and modern sources that outline the basis and development of the world's Mystery Traditions. Our subjects include Alchemy, Astrology, Depth Psychology, Magick, Spirituality, Women's Mysteries, and the many other paths of human striving for union with the Infinite.The foreword and introduction have been written by people apparently affiliated with the "Fourth Way" of the occultist George Gurdjieff.Another issue is the fact that there is no information given about the translator, except that he is a "Father Lazarus."

KurzbeschreibungThousands have fallen in love with the anonymously authored book The Way of a Pilgrimthe account of an ordinary man's encounter with the Eastern Orthodox Christian practice of the Jesus Prayer, which consists of the constant repetition of the short phrase, "Lord Jesus Christ, have mercy upon me." Here is the perfect introduction to this life-changing practice, as it was taught by one of the great spiritual lights of Russia. Bishop Ignatius Brianchaninov (1807-1867) provides wise instruction and advice covering all aspects of the practice, from how to get started, to approaching difficulties that arise, to dealing with friends and family who don't get what you're doing, to making this prayer (also called the Prayer of the Heart) the foundation of your life.KurzbeschreibungThousands have fallen in love with the anonymously authored book The Way of a Pilgrimthe account of an ordinary man's encounter with the Eastern Orthodox Christian practice of the Jesus Prayer, which consists of the constant repetition of the short phrase, "Lord Jesus Christ, have mercy upon me." In this exceptional translation of Bishop Brianchaninov's essay on the "Jesus Prayer", we are introduced to a spiritual exercise known as Hesychasm. Hesychasm gives expression to the method of enlightenment that has been in use in Christian monasteries in the East almost from Apostolic times. The practice of Hesychasm falls into three parts: the prayer is repeated aloud to condition the body; then it is prayed silently in order to condition the mind. Finally, when complete concentration has been attained, the prayer is carried down into the heart using the rhythm of the heart beat. Bishop Brianchaninov not only explains how the prayer works and how to prepare for the practice but puts forth several teachings from Greek and Russian mystics on the "Jesus Prayer". Among these are St. Barsanouphius, Dorotheus the Russian and St. Seraphim; St John of the Ladder; St. Nilus Sorsky, St. Gregory the Sinaite; St. Nicephorus of Mount Athos; and St. Kallistus and Ignatius Xanthopoulos.Brianchaninov, also, discusses the pitfalls that can be encountered along the way and how to avoid them, as well as "material aids," such as the rosary and posture, for the practice.
