**Von Hiroshi Satake : One Day Hike in Okutama Tokyo Japan: Discover the Labyrinth and hot spring (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised One Day Hike in Okutama Tokyo Japan: Discover the Labyrinth and hot spring (English Edition):

KurzbeschreibungMay 10, 2017 (Edition 2)\* Some old information was updated.\* The cover page was changed.\*

Title and subtitle were changed- ----- -An unforgettable experience of nature can be the highlight of any trip. Although Tokyo is a famously crowded and busy city, in this guidebook, an author will introduce you to the quiet nature area of Okutama in western Tokyo Japan. Its an adventurous experience, to go hiking there.He will describe how to access Okutama town and detail the hiking course with many pictures of facilities that includes a restaurant and a hot spring on the way. He will show you the recommended route and attractions for hikers to enjoy hiking safely and not to lose their way.This guidebook tells you about only one hiking trail.KurzbeschreibungMay 10, 2017 (Edition 2)\* Some old information was updated.\* The cover page was changed.\* Title and subtitle were changed- ----- -An unforgettable experience of nature can be the highlight of any trip.
