Eine umfangreiche und tolle BiographieVon anjabartsch81Ich hatte mir das Buch ohne wesentlichen Grund gekauft. Ich habe damals die Serie Hart aber Herzlich gesehen und dachte mir, da mglicherweise die Biographie der Hauptdarstellerin der Serie ganz interessant sein kann.Als das Buch ankam, habe ich sofort mit dem Lesen angefangen

und konnte es auch nicht mehr weglegen. Ich hatte das Buch in 3 Tagen durchgelesen! Es ist zwar in Englisch geschrieben, doch mit einigen Kenntnissen ist das kein Problem. Stefanie Powers beschreibt in sehr liebevoller, spannender und humorvoller Weise und voller Achtung gegenüber ihren Mitmenschen ihr Leben. Sie setzt sich mit der Alkoholsucht ihres damaligen Lebensgefährten William Holden kritisch auseinander. Mittelpunkt sind aber die vielen gemeinsamen Erlebnisse der beiden auf verschiedenen Kontinenten. Diese Biographie gibt einen kleinen Einblick in das Leben der Stefanie Powers und zeigt, da sie eine facettenreiche Schauspieler, Sängerin und Frau ist, die trotz einiger Rückschläge in den letzten Jahren das Leben nicht verlernt hat zu leben! Ich habe das Lesen sehr genossen und kann nun sagen, da ich nicht nur ein Fan der Serie, sondern auch der Darstellerin selbst geworden bin. In meinen Augen ist es ein gelungenes Werk und ein Must-read für jeden Fan! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Schöner Einblick in ihr Leben Von H. Bergmann Das Buch ist ein schöner Einblick in ihr Leben und bietet einige Hintergrundinfos. Insbesondere ihr Verhältnis zu William Holden wird intensiv beschrieben. Natürlich widmet sie auch ihrer Hart-to-Hart-Zeit einen großen Teil. Interessant ist insbesondere für die Fans, dass einige Unklarheiten, die sich nach Lesen der RJ-Biographie ergaben, aus ihrer Sicht beschrieben und erläutert werden. Es zeigt den Menschen Stefanie Powers mit allen Wünschen, Träumen und auch Unzulänglichkeiten. Für meine Begriffe hätten einige Dinge noch etwas ausführlicher beschrieben werden können, manchmal hatte ich das Gefühl sie bricht dort ab, wo es beginnt noch interessanter zu werden. Deshalb nur 4 Sterne von 5. Für alle Stefanie Fans natürlich ein Muss!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Charmante und kurzweilige Biografie Von M. Schlegel Unterhaltsam schildert S. Powers ihre Begegnungen mit zahlreichen bekannten Persönlichkeiten, ihre Reisen rund um die Welt und ihr Engagement in Afrika. Mit zahlreichen Fotos. Eine deutsche Übersetzung gibt es leider bis jetzt nicht.

Kurzbeschreibung The career of Stefanie Powers is one of so many stage, screen, and television credits that her name alone recalls memories as varied as her roles on screen and off. From movie roles including John Wayne's daughter in *McLintock!* and Lana Turner's rival in *Love Has Many Faces*, to being terrorized by Tallulah Bankhead in *Die, My Darling* and befriending a Volkswagen in *Herbie Rides Again*, she stepped onto the television screen as the sexy secret agent April Dancer in *The Girl from U.N.C.L.E.* and the jet-setting, crime-solving wife of Robert Wagner in *Hart to Hart*. She is also an award-winning stage actress, fitness advocate, and an internationally recognized animal conservationist. A natural beauty groomed for show business at an early age, Stefanie Powers began her career at the tail end of the Studio System, a dynamic education in star quality and Hollywood history she happily admits was one hell of a ride. Privileged to have worked with some of the greatest names in the Hollywood firmament, Stefanie tells of the time she broke down in tears at a party over her divorce from actor Gary Lockwood, only to be comforted with a cocktail and the hard-won, been-there advice from two guests she had never met: Elizabeth Taylor and Ava Gardner. Costarring with Robert Wagner in *Hart to Hart* not only brought her five Emmy Award nominations but it created a working relationship that endured more than fifteen years. Through it all, Stefanie treasured the camaraderie of her close-knit community, and here she shares the priceless lessons she learned. But in a lifetime of dear friends and associates, no other had such a significant effect on Stefanie than one man: Oscar-winning actor William Holden. In *One from the Hart*, Stefanie reveals for the first time the extraordinary nine-year relationship they shared, a transcendent love story that ended with his tragic death as a result of lifelong struggles with alcoholism and depression. It was Holden, a man of great fun, depth, and adventure, who introduced to Stefanie a distinctive and enriching personal obsession in East Africa: the Mount Kenya Game Ranch. His work in the conservation and preservation of endangered species in East Africa began long before the issue became popular, and he pioneered the concept of a game ranch in Kenya. After his death, Powers established the William Holden Wildlife Foundation to carry on with his passion and his legacy to her. She built her own oasis on the foothills of Mount Kenya and lives part time in one of the most magnificent landscapes on Earth. This is *One from the Hart*, Stefanie Powers's story of a resourceful, empowered, and atypical celebrity life, told with all the candor, wit, and wisdom that have come to embody the woman herself.

A popular television star with dark, warm-yet-sultry looks and an internationally known wildlife activist, Stefanie Powers is probably best remembered as Jennifer Hart, the writer and distaff half of the sleuthing team, in "Hart to Hart" (ABC, 1979-84), a role she reprised in several successful TV-movies first on NBC and then on The Family Channel.
