Von Lynda Barry : One! Hundred! Demons! before purchasing it in order to gage whether or not it would be worth my time, and all praised One! Hundred! Demons!:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Geniales BuchVon Kilian KroellLynda Barry wei einfach, wie man skurrile autobiographische Geschichten mit Bildern illustriert, sodass ein eigenes Genre entsteht. Ich verwende einige der Comic-Book Kurzgeschichten mit Oberstufenschlern im English Unterricht, schenke dieses Buch aber auch gerne her. Geeignet fr Leute, die an einem kreativen, multikulturellen, grenzberschreittem Leben beteiligt sind.0 von 0 Kunden fanden die folgende Rezension hilfreich. Beste Graphic Novel, die ich kenneVon adventurebugEs ist schon das zweite mal dass ich dieses Buch bestelle. Diesmal, um es zu verschenken. Eine ganz tolle, treffende und berhrende Graphic Novel!

KurzbeschreibungLynda Barry's beloved, genre-defying work of autobifictionalography One! Hundred! Demons! exploded the comic book medium, ending up on Best Of lists from Time Magazine and the Chicago Tribune. In these seventeen vignettes that touch on the scent of people's homes, why babies are the best dancers, and how pretentious exboyfriends are like head lice, Barry brings her demons out to be exorcised. Described as brutally honest, thoughtful and soulful by Nick Hornby in the New York Times, One! Hundred! Demons! takes on Barry's childhood with humor and poignancy.PressestimmenYou'll wonder how anything can be so sad and so funny at the same time. -Lev Grossman, "Time" You'll wonder how anything can be so sad and so funny at the same time. -Lev Grossman, TimeKurzbeschreibungLynda Barry's beloved, genre-defying work of autobifictionalography One!
