Von Steve Haywood : One Man and a Narrowboat: Slowing Down Time on England's Waterways (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised One Man and a Narrowboat: Slowing Down Time on England's Waterways (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. reprint

from 2004 book - good read Von Jan Willem Wilkens Good read like his other books. Little bit too much on the history of other writers on narrowboats and waterways. I liked Narrowboat Dreams from 2009 slightly better for this reason. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Relaxing Von Robert Philip Stevens Enjoyable relaxing read...like cruising down a canal on a boat. Read it on a Sunday with a nice cup of tea!

Kurzbeschreibung "If I'd really been serious about getting to grips with my mid-life crisis, then I'd have been better opting for a course of therapy than going off travelling. Or if I had to travel, I'd have been better opting for somewhere warm with a beach" In an attempt to get to grips with a BIG birthday, Steve sets out from Oxford to explore what makes the English well, so English. His quirky humour is inspired by Tom Rolt, who took to the canals on a similar journey immortalised in the book Narrow Boat, kick-starting the revival of Britain's waterways. Prepare for a generous helping of mayhem, mishaps and the staple of every English summer: torrential rain. Pressestimmen "One of a series of books Haywood has written about life on England's canals, this entertaining travelogue recounts a journey he made from Oxford to Bristol via Tewkesbury, complete with mayhem, mishaps and torrential rain." -- "The Independent on Sunday" "His quietly humorous style makes these books a joy to read." -- "Towpath Talk" magazine Kurzbeschreibung "If I'd really been serious about getting to grips with my mid-life crisis, then I'd have been better opting for a course of therapy than going off travelling.
