The slightly different ChristmasbookVon Claudia S-AWonderfully illustrated pages with big, clear pictures - ideal for younger children. The bright-red soft-to-touch hat leads through the book and draws attention to each page. The four animal characters are cute to look at and show a loving heart for their friend. The happy end is just what children like in a Christmas book. The message is clear: the present is not the main thing but friendship and that nobody should be without a friend at Chrstimas. - I use it in my English lessons with great success!2 von 2 Kunden fanden die folgende Rezension hilfreich. super schnes WinterbuchVon Marlin1264Dieses Buch berzeugt durch die fhlbare rote Mtze, fr die passende Trger noch gefunden werden muss. Die Story ist einfhlsam und einfach verstndlich und passt hervorragend in die Winter- und Weihnachtszeit. Das Buch ist auch fr kleine Kinder geeignet, die gerade erst englisch lernen. Man kann die Geschichte ja auch in Teilen auf deutsch erzhlen und dann immer mehr englische Passagen vorlesen.2 von 2 Kunden fanden die folgende Rezension hilfreich. A nice storyVon D.
