Von Jim Neglia : Onward and Upward (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Onward and Upward (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. When passion leads the way...Von Oliver GrenvilleA backstage look on a frontstage career.A very personal look at a life in the arts which is everything but easy. And at the same time the proof that it's worth doing what you really want to do and what you're made for. No matter how high the obstacles may be. There's always a way to survive with creativity,

guts and positive thinking. Really enjoyed inhaling Onward and Upward.

KurzbeschreibungFor years, I have wanted to write a book about the relentless determination it takes to succeed in the arts. Whether as a young artist in New York City, as a music coordinator of a Broadway musical, or as a musician traveling through Europe, I will share with you excitement, acclaim, and culture. Onward and Upward is the true account of my pursuit of a dream; a career in music. In this around-the-world journey, I share my stories of culture, family, laughter, friendship, wisdom, and heartache, with a generous splash of the likes of Strauss, motorcycle chases, and Hollywood. Any aspiring artist, would-be world traveler, or entrepreneur, will benefit from reading this book.

Learn from another's experience about dedication, passion, and culture. Partly by means of behind-the-scene memoirs, partly by means of journal entries, we will walk hand in hand on this most extraordinary journey through a life in the arts.
