Von Thomas H. Green : Opening to God: A Guide to Prayer before purchasing it in order to gage whether or not it would be worth my time, and all praised Opening to God: A Guide to Prayer:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Very Practical Guide To Christian DiscernmentVon Patrick J. McGervyOpening to God is about just that, opening to God's will and his movements within the soul and in the world. It is a very practical guide to discernment. I have used it with high school students who sometimes found the vocabulary and some concepts beyond them, and it is not full of poetic

glimpses of the Divine mystery. It is a well grounded and faith filled view of how the Christian can faithfully seek the will of God.0 von 0 Kunden fanden die folgende Rezension hilfreich. Outstanding--Don't miss this one!Von Ein KundeThis is an excellent book which I would reccommend to any Christian who wants to develop a more meaningful prayer relationship with God. I've read numerous books on prayer, but this one far outshines any of the others. Concise and practical, it is also very understandable and readable for the average layman. If you want to learn how to greatly improve your prayer life, snatch this one up!

KurzbeschreibungMissionary-priest and educator, Father Thomas Green, draws on his cross-cultural experience, his acquaintance with the great spiritual figures of Church history, and his own life as a "pray-er" to instruct on the subject of prayer.Pressestimmen"This wonderful little book is jam-packed with the basic wisdom that both beginning and experienced pray-ers need to enter more deeply into God's presence." - Bert GhezziKurzbeschreibungMissionary-priest and educator, Father Thomas Green, draws on his cross-cultural experience, his acquaintance with the great spiritual figures of Church history, and his own life as a "pray-er" to instruct on the subject of prayer.
