KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. Nice Little Graphic BiographyVon KundenrezensionenThis is a short biography of the "Master of Horror" that shows the way of his life from the very start up to the time after his nearly fatal accident that started his second round of

creativity. Nicely done and certainly a must for fans.

Kurzbeschreibung One of the bestselling authors of all time, his books have sold over 500 million copies and been translated into 33 languages. Generations of terrified readers and moviegoers have dubbed Stephen King the "Master of Horror," but he is much, much more. This is a rare behind-the-scenes glimpse into King's private world.
