Von Virginia Woolf : Orlando (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Orlando (English Edition):

Kurzbeschreibung Orlando: A Biography is an influential novel by Virginia Woolf, first published on 11 October 1928. A semi-biographical novel based in part on the life of Woolf's lover Vita Sackville-West, it is generally considered...deIn 1928, way before everyone else was talking about gender-bending and way, way before the terrific movie with Tilda Swinton, Virginia Woolf wrote her comic masterpiece, a fantastic, fanciful love letter disguised as a biography, to Vita Sackville-West. Orlando enters the book as an Elizabethan nobleman and leaves the book three centuries and one change of gender later as a liberated woman of the 1920s. Along the way this most rambunctious of Woolf's characters engages in sword fights, trades barbs with 18th century wits, has a baby, and drives a car. This is a deliriously written, breathless-making book and a classic both of lesbian literature and the Western canon.Pressestimmen'Together these ten volumes make an attractive and reasonably priced (the volumes vary between GBP3.99 and GBP4.99) working edition of Virginia Woolf's best-known writing. One can only hope that their success will prompt World's Classics to add her other essays to the series in due course.'
