all praised Oswald Chambers: Abandoned to God: The Life Story of the Author of My Utmost for His Highest (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Oswald Chambers: Abandoned to GodVon Linda WhiddonThis book was easy to read, very informative, and showed the very human side of a most spiritually minded man. I loved the little details that built the overall picture of who Oswald Chambers was as a man. It showed that he was flawed and weak just as we all are, but showed his sincerity and integrity before God. His life resembles in so many ways that great King David, who is known in the Scriptures as "a man after God's own heart." After reading his inspired "My Utmost For His Highest" daily for over 20 years, it was so rewarding to read of the man behind one of the most loved devotional books ever written.

KurzbeschreibungIn Oswald Chambers' *Abandoned to God*, you trace the life of this servant of God from his boyhood home in Scotland through an astounding journey of faith and trust in God's provision. From the United Kingdom, the United States, Japan, and ultimately to a YMCA training camp in Egypt during World War I, you'll find Chambers to be a man utterly devoted to God, His Word, and to sharing the timeless wisdom of the Bible with others. The last six years of his life were spent as principal of the Bible Training College in London and as chaplain to British Commonwealth troops in Egypt during World War I. After Chambers died, at age 43 in 1917, the books that bear his name were compiled by his wife from her own verbatim shorthand notes of his talks. Chambers never lived to see the book for which he is best known, *My Utmost for His Highest*, published. He left a spiritual legacy that has touched men, women, politicians, and preachers ever since. Now you can read about this remarkable life well-lived and find inspiration to persevere for the sake of Christ.

BuchrückseiteOswald Chambers: *Abandoned to God*, winner of the Evangelical Christian Publishers' Association Gold Medallion for biography. "Oswald Chambers was a man for all time. His mind was the mind of Christ and so his words are compelling because they reflect the thoughts of our Savior. I am not the first to say that no book outside the Bible has influenced me as much as *My Utmost for His Highest*. In David McCasland's book we have, at last, the story of this remarkable man's life and how, having honored God, God is now honoring him with the only fame that really matters." Cal Thomas, syndicated columnist "Whoever has read or heard about *My Utmost for His Highest* must buy and read this book from cover to cover. Your tears will flow, your heart will be moved, the Holy Spirit will speak a word of peace, and your Christian life will never be the same." Harold Lindsell, Editor Emeritus, *Christianity Today* "So many millions of us have read his words, been deepened by his prayers, been brought before God by his writing. And now we get to know him. I had no idea what a magnificent life was present behind these marvelous words. Oswald Chambers' writing is validated in detail after detail by his life." Eugene H. Peterson, James M. Houston Professor of Spiritual Theology, Regent College "If you are one of those who know and love Oswald Chambers' famous book of devotional readings, *My Utmost for His Highest*--edited and published by his faithful widow, "Bidley" in the late 1920s--you will want to become intimately acquainted with this giant among Christian devotional writers. This new biography offers you that opportunity." D. James Kennedy, Senior Minister, Coral Ridge Presbyterian Church "Oswald Chambers: *Abandoned to God* is a magnificent description of how one man sought God and lived out that relationship in the realities of life. It will stimulate your heart to follow God more fully. For years I have used Oswald Chambers' *My Utmost for His Highest*. In this biography I see where that depth of input was born and developed." Jerry E. White, General Director, *The Navigators* "My Utmost for His Highest has become an essential part of the process of maturity for countless Christians over many decades, but we have known little about this man of God whose life has meant so much to so many. I welcome David McCasland's contribution, which goes a long way toward showing everyone how contemporary Chambers' writing really are." James Engel, Distinguished Professor of Marketing, Research, and Strategy, Eastern College
