Von George Osborn : Out of Darkness: The George Osborn Story (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Out of Darkness: The George Osborn Story (English Edition):

Kurzbeschreibung George Osborn was born into a dysfunctional family. His father was an alcoholic and George got into drugs, petty theft, and sex while still young. His involvement in occult practices made him feel completely controlled by spirits, to the point where he nearly lost his life under a train. Through an encounter with a local church youth club, George mended his ways for a time, but he lost interest and slid away from his Christian life. As a young adult, George was into getting high, having sex, and travelling the world, and Christ seemed very distant. On his return to England, George, like a prodigal son, returned to his Christian commitment - and stayed. His story could be that of any young man in today's world, and is an honest, relevant account of the redemptive power of Christ.

His story could be that of any young man in today's world, and is an honest, relevant account of the redemptive power of Christ.

ber den Autor und weitere Mitwirkende George Osborn is based in the UK and works as a full time itinerant missionary, sharing his moving testimony in prisons, schools and at events. George is a very gifted speaker with a powerful and engaging message that leaves a lasting impact on those who hear him. He has launched his own ministry called 'Lumina', having a particular heart for working with those in the New Age movement and training people in effective evangelism. His experience is extreme, but as such it offers hope to those who believe themselves to be beyond forgiveness. Becci Brown lives in Nottingham England where she is a member of the Emmanuel church in Bramcote. She is married to Alex and mum to Ada. Becci contributed to the study notes of the Authentic Youth Bible (ERV) and is the compiler of the book Fixed.
