Von Gawani Pony Boy : Out of the Saddle: Native American Horsemanship before purchasing it in order to gage whether or not it would be worth my time, and all praised Out of the Saddle: Native American Horsemanship:

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. NACHSCHLAGVon Ein KundeNach dem groen Erfolg von "Horse, Follow Closely" des gleichen Autors scheint dieser Bildband ein bichen im Fahrwasser schwimmen zu wollen. Was besonders strt: Einige Fotos sind vollkommen identisch mit denen im Vorlufer: Das sollte eigentlich nicht passieren. Freunden der wunderschnen Fotos von Gabrielle Boiselle drfte dies aber keinen Abbruch tun. "Out of the saddle" ist eine informative und layoutmig bestens aufgemachte Story ber die Indianer. Gute Englisch-Kenntnisse mssen beim Leser vorausgesetzt werden.0 von 0 Kunden fanden die folgende Rezension hilfreich. Learning about horses and lifeVon Lois A. WoodLeadership through trust and respect is one of the many lessons the young reader will learn from this book. The simple tools and techniques for starting a line of communication with horses are presented in a wise and gentle manner. Indeed, the Native American philosophy of teaching horses coincides with their attitude toward all animals living on, in, or above Mother Earth, and that is responsibility for them and mutual respect among and between them. GaWaNi Pony Boy speaks of creating the right environment for understanding, and his thoughts, words, and deeds are relevant to everyday life. The book is artfully laid out and contains beautiful and decoratively captioned photographs. There are several Native American tales and sayings, such as, "...the reason Creator gave two-leggeds two ears and one mouth was so that we would listen twice as much as we talk." I found this book to be a most enjoyable learning experience and recommend it to adults and youngsters alike.

Kurzbeschreibung GaWaNi Pony Boy's unique approach to horses is captured in these five books from BowTie Press. GaWaNi Pony Boy is the founder and president of Iyuptala University (Iyuptala means "one-with" in Lakota), and online college that allows horse lovers to expand their knowledge of these magnificent animals. He regularly writes for equine publications throughout the United States and Europe.
