Von Simon Winchester : Outposts: Journeys to the Surviving Relics of the British Empire before purchasing it in order to gage whether or not it would be worth my time, and all praised Outposts: Journeys to the Surviving Relics of the British Empire:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Well written / fascinatingVon KhandallahExtremely well written, well researched and for those interested in the vestiges of

the "Empire" fascinating. Lots and lots of human interest stories / perspectives woven into the book.

KurzbeschreibungThe reissue of a Simon Winchester classic
In 1985 Simon Winchester, struck by a sudden need to discover exactly what was left of the British Empire travelled 100,000 miles back and forth from Antarctica to the Caribbean to visit the far-flung islands that are all that remain of what once made Britain great. His adventures in these distant and forgotten ends of the earth make compelling and often funny reading. With a new introduction and additional material in many of the chapters, this revised edition tells us what has happened while the author's been away.
