**Von Tom Snyder : Pacific Coast Highway: Traveler's Guide** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pacific Coast Highway: Traveler's Guide:

Kundenrezensionen Hilfreichste Kundenrezensionen 3 von 3 Kunden fanden die folgende Rezension hilfreich. A must for those who who love to drive Von Peder Norby Tom Snyder's Pacific Coast Highway Traveler's Guide is a must read for any one who loves the Historic Hwy 101. Charles Kuralt said "Thanks to the new Interstate Transportation system it is now possible to drive from one end of the country to the other without seeing a thing" Snyder's book takes you on a journey from the Mexican border to the Canadian border on the road that opened the west, before driving became the endless endouring of multiple ribbons of concrete. Snyder's trip and his insights on US 101 is a must have for anyone traveling US 101. His book touches on 100's of small quaint cities and sights along the 101 with recommendations for lodging and restaurants. Many of the places he called out are not necessarily the most prominent or "tourist trap" type places but rather unique places that capture the essence of the road. There is a great little section in the beginning of the book which talks about how Hwy 101 came into being as well as the confusion and differences in the multiple names the road has. It sure cleared up things for me! Snyder also details and recommends many little trips from 2 to 3 days as well as the whole route. There are great tips on the weather and where to begin your trip depending on the weather and your interest. Also present in the book is a little testament to the surf and woddie culture as well as an acknowledgment of their lifestyle and stewardrdship of our oceans. Over all, this book is a tremendous asset for those who love to really drive. Well done and highly recommended 2 von 2 Kunden fanden die folgende Rezension hilfreich. Coast Highway Discovered Von John Daley This must read guide is bound to enlighten even the most savvy West coast cruiser. Historic Roads and Highways are becoming lures to the young and old alike. The heritage experiences give the traveler a sense of place and the comfort of the known. The author has made you want to see and feel the locations along the route. The guide is very useful for discovering the Coastal Mother Road of California, Oregon and Washington. Thanks for a well-done timely guide to the West Coast. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Solala Von Markus Das Buch hat mich nicht begeistert da gibt es deutlich bessere wie das Pacific Coast Highway USA: Neue Wege entlang der amerikanischen Westkste

Kurzbeschreibung Pacific Coast Highway Before gridlocked freeways and jumbo jets, the West Coast was a region of friendly towns and secluded coves, with 1,800 miles of winding and scenic roadway. It still is! Join Tom Snyder for another two-land adventure--from California's strands and the tumbled shoreline of Oregon, through Washington's lush rain forests. Detailed directions make traveling either up or down the coast easy. Explore more than 390 special places, like Port Townsend, where Snow Falling on Cedars and An Officer and a Gentleman were filmed. Discover over 100 restaurants and romantic hideaways, from pizza parlors to a cozy inn with a wine list of 2,000 vintages. Find near-secret beaches, where you can still park free right along the old highway and wade straight into the ocean.
