**Von Morgan Daimler : Pagan Portals - The Morrigan: Meeting the Great Queens** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pagan Portals - The Morrigan: Meeting the Great Queens:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Comprehensive and compellingVon HaferburgA good introduction for those who are interested in the Morrigan, the research shows. I would recommend it to anyone who is starting to be drawn to Her. People who already have a good

knowledge of Irish mythology will not find much new information on that topic. The author's personal experience and thoughts are still valuable, though.

Kurzbeschreibung On shadowed wings and in raven's call, meet the ancient Irish goddess of war, battle, prophecy, death, sovereignty, and magic. This book is an introduction to the Morrigan and several related goddesses who share the title, including Badb and Macha. It combines solid academic information with personal experience in a way that is intended to dispel the confusion that often surrounds who this goddess was and is. The Morrigan is as active in the world today as she ever was in the past but answering her call means answering the challenge of finding her history and myth in a sea of misinformation, supposition, and hard-to-find ancient texts. Here in one place, all of her basic information has been collected along with personal experiences and advice from a long-time priestess dedicated to a goddess who bears the title Morrigan.
