**Von Tuan Marais : Painted Devils and the Land of Ordinary Men (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Painted Devils and the Land of Ordinary Men (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Eine atemberaubende Reise in ein farbenreiches Land und noch farbenreicherer LebenVon kat2u61Ich habe dieses Buch nicht weglegen knnen. Ein wunderschn geschriebenes Buch aus dem Leben eines ganz und gar ungewhnlichen Mannes, der es versteht, eine doch tragische Landesgeschichte mit viel Feingefhl und Sinn fr Humor in die Geschichte

seines eigenes Leben hineinzuweben.

Kurzbeschreibung Zanzibars brief and brutal revolution is almost forgotten. During the Cold War, the small archipelago in the Indian Ocean, off the coast of Tanganyika, became significant in the early 60s because of its vulnerability and position at the edge of Africas rotting Colonial corpse. As had the early Arab slavers, religious pioneers and Imperial European adventurers, so too the purveyors of Communism and Socialism used Zanzibar as a base for their ambitions in Africa. From here they made swift incisions into the carcass and White Southern African tribes began to show concern while the West shrugged. This book tells the story of a boys journey through the turbulent waters of his own young life during these urgent moments in Equatorial East Africa and Southern Africa. It is a tale of love and loss.
