Von Morbidprince : Pandect (Chapters 1 - 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pandect (Chapters 1 - 3) (English Edition):

HerausragendVon CustomerPandect lsst sich nicht eindeutig einer Richtung zuordnen und stelle eher ein Crossover
verschiedener, klassischer Manga Genres da mit ganz eigenen Elementen und mit einer klaren Betonung auf der BL
Richtungm, ohne das es jedoch extrem im Fokus steht. Das BL Thema passt sich einfach unauffllig in die Story ein.
Die Zeichnungen sind wunderschn und detailreich. Die Story ist vielschichtig und einfallsreich. Die Betonung liegt auf

der Charakter- und Storyentwicklung. Ich finde diese Version sehr empfehlenswert.

den Autor und weitere Mitwirkende I'm a nobody artist who grew up on Anime and Manga. My entire family are artists and I rebelled by going down the Anime route. I learned drawing by pausing the taped Sailormoon TV episodes and tracing it. Pandect was created to keep myself awake during the long commute to college. Its a project that's kept me out of trouble since 2004. I hope it entertains you as much as it entertained me.
