**Von Lauren Miller : Parallel** before purchasing it in order to gage whether or not it would be worth my time, and all praised Parallel:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.  
Exzellentes Buch, sehr schn!Von ApplesIch lese ja nicht soooo gern Englische Bcher, aber dieses hat mich berzeugt.  
Lsst man die Hauptsache (SiFi) einmal auer Acht, ist das Buch sehr realistisch geschrieben. Damit meine ich, dass die  
Charaktere so (re-)agieren, wie ich es mir auch tatschlich vorstellen kann, daher habe ich mich endlich einmal nicht  
gelangweilt :-))Das Ende ist etwas abrupt, aber das kann auch nur meine Einbildung sein. Es ist jedenfalls nicht

bldsinig, sondern folgt einer gewissen Logik.Schade, dass sie nicht mehr Bcher geschrieben hat!brigens: Es ist wirklich gut verstndlich und liest sich glatt durch. Viel Spa!

KurzbeschreibungA romantic, mind-bending novel about parallel worlds, soul mates, destiny, and the big-time consequences of even our smallest choices, perfect for fans of *The Future of Us* and *Before I Fall*. Abby Barnes had it all planned out high school, college, career but one decision made in her senior year of high school changed her carefully mapped-out future. When Abby wakes up the morning of her eighteenth birthday, it's as though her past has been rewritten. Abby discovers that a cosmic collision of parallel universes has erased her old reality. Now Abby is falling in love with a boy from her Parallel's memories a boy she's never even met. She's living the life she always wanted, but what if living her Parallel's life means she loses her soul mate? PressestimmenA fun, twisty novel about the paths you choose and the paths you don't to follow your heart's desire. Deeply romantic and entertaining! (Melissa de la Cruz, *NEW YORK TIMES* bestselling author of *BLUE BLOODS* and *WITCHES OF EAST END*) Penetrating, jawdropping, and so real, *PARALLEL* had me turning pages at warp speed, hoping for the best tomorrow. Read this book. (Huntley Fitzpatrick, author of *MY LIFE NEXT DOOR*) Best. Debut. Novel. Ever. (Lauren Barnholdt, author of *TWO-WAY STREET*) *PARALLEL* beautifully tackles the universal themes of fate, destiny, and the search for a soulmate, proving that there are no wrong turns. Your heart will soar and you'll be cheering at the end. (Jordanna Fraiberg, author of *IN YOUR ROOM*) Wildly inventive and wonderfully romantic, *PARALLEL* takes readers on a journey that will open their minds and their hearts. (Jennifer E. Smith, author of *THE STATISTICAL PROBABILITY OF LOVE AT FIRST SIGHT*) Thoughtprovoking, romantic, and so, so smart, *PARALLEL* is an absolute must-read for anyone and everyone who has ever wondered, What if? (Anna Jarzab, author of *ALL UNQUIET THINGS*) An intricately woven story about free will, parallel universes, and cute boys. Miller nails the inner snark of the high school senior, as well as the confusion of figuring out just where your life is supposed to be headed. (Kat Zhang, author of *WHATS LEFT OF ME*) KurzbeschreibungA romantic, mind-bending novel about parallel worlds, soul mates, destiny, and the big-time consequences of even our smallest choices, perfect for fans of *The Future of Us* and *Before I Fall*. Abby Barnes had it all planned out high school, college, career but one decision made in her senior year of high school changed her carefully mapped-out future. When Abby wakes up the morning of her eighteenth birthday, it's as though her past has been rewritten. Abby discovers that a cosmic collision of parallel universes has erased her old reality. Now Abby is falling in love with a boy from her Parallel's memories a boy she's never even met. She's living the life she always wanted, but what if living her Parallel's life means she loses her soul mate?
