**Von Dennis Rainey, Barbara Rainey, Bruce Nygren : Parenting Today's Adolescent: Helping Your Child Avoid the Traps of the Preteen and Teen Years** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Parenting Today's Adolescent: Helping Your Child Avoid the Traps of the Preteen and Teen Years:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A MUST for all parentsVon Ein KundeThis book has helped me through tough times with teens--knowing too that they have dealt with the same problems -- haven't folded under--and are there to give help to hurting parents--and even though the outcome isn't always what we expected--God is in control--and He is there to guide us through. Dennis and Barbara are REAL people with real teen problems. I thank them for writing such a helpful book.0 von 0 Kunden fanden die folgende Rezension hilfreich. There is hope!Von Ein KundeIf you are a parent, you need this book. Instead of wondering what hit you when your child becomes a teenager, you can see the various ages charted out...like 10-12 (age of innocence) and 13-16 (the danger zone) with lots of advice for handling countless situations that we all have to eventually face. Don't go it alone...get this amazing book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great practical book for Sunday School and one-on-one wchildVon Ein KundeThis book is easy to read and has a lot of practical information for instilling Christian values in today's adolescent. Applicable to the late 90's teen. Great for use in a study-group setting or as Sunday School consideration for 5th or 6th graders.

KurzbeschreibungNormally confident moms and dads grow weak-kneed when their children enter--gasp!--puberty. Barbara and Dennis Rainey, parents of six teenage or older children, map out the unfamiliar, demanding landscape of both pre-adolescence (ages 10-12), as well as the teen years that follow. "Preadolescence is when convictions are shaped; adolescence is when convictions are tested," they advise parents. In Parenting Today's Adolescent the Raineys help children and parents build a satisfying relationship while forging a vision for a productive, God-honoring life-before, during, and after adolescence.KurzbeschreibungNormally confident moms and dads grow weak-kneed when their children enter--gasp!--puberty.
