Von Nichole Robertson : Paris in Color before purchasing it in order to gage whether or not it would be worth my time, and all praised Paris in Color:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not what I hoped forVon Sergej SmolicThis good looked very promising, but in the end it disappointed a bit as it did not offer a true insight into the city of Paris - the most characteristic features are not really included. There are many details but they are too repetitive and one loses interest by the end of the book. But if you like to see similar or the same items in different colours, that's your book.Nevertheless, I have to point put that the photographer did a remarkable job as the quality of photos is very good.0 von 0 Kunden fanden die folgende Rezension hilfreich. Orignell und wundereschnVon MazonPerfekt als Geschenk oder auch fr sich selbst um selbst in Gedanken darin zu versinken - egal ob man Frankreich / Paris mag oder nicht ;)0 von 0 Kunden fanden die folgende Rezension hilfreich. A beautiful bookVon a j eI gave this book as a gift to my parents a year after our trip to Paris. It is such a beautiful book and it is a joy to look at.

KurzbeschreibungTake a journey through the world's most romantic city, traveling from color to magnificent color with this beguiling book. An orange caf chair, bright blue bicycles against a fence, a weathered white doorNichole Robertson's sumptuous photographs of the distinctive details of Paris, all arranged by color, evoke a sense of

serendipitous discovery and celebrate the city as never before. At once a work of art and a window into the heart of the city, Paris in Color will surprise and delight those who love art, design, color, and, of course, Paris!

Pressestimmen"From Nichole Robertson, cofounder of the blog and design studio Little Brown Pen, comes Paris in Color, a book that presents the City of Light in all its enchanting hues. Including more than 150 pages of vivid photographs, this volume showcases Parisian design and architecture, its iconic monuments as well as its moments of quiet, accidental splendor. Robertson's work offers readers a color-coordinated tour of her favorite city, lovingly lingering on such staggering details as its scarlet Metro entrances and Wallis-blue doors." -- Lonny magazine"A feast of color-coordinated vignettes." -- LuckyMag.com"This is a must-have in your design library as a color reference and for photographic inspiration." -- Design Muse
