A real help for the true friends of "The Land of the Smiles"!

Kurzbeschreibung Pattaya is a phenomenon. Once a tiny fishing village, it has developed into a renowned international playground. Colorful and alive with activities, it is unrivaled as a beach resort, offering more attractions in greater profusion than any other single destination in Southeast Asia. Located just 150 kilometers southeast of Bangkok and facing a wide bay and a long majestic sweep of beach, Pattaya has been groomed for international visitors over more than three decades, and today it boasts the unique distinction of a beach resort with a city status. This near paradoxical situation holds the key to Pattaya's rare attraction - it has something for everyone. Whereas most other beach resorts rely simply on natural surroundings for their charm, Pattaya makes an all-out attempt to provide the best of everything in an exhaustive mix of facilities. To the basic ingredient of a superb coastal location, it adds just about every other amenity one can think of for recreation, entertainment, sightseeing and fun.
