WonderfulVon Jacobi, S.+ M.A real saint with unbelievable insights.....a little bit like Jesus. Really helpful for people like us nowadays around the world...

KurzbeschreibungSundar Singh was a remarkable man! Born into a Sikh family, at an early age he became spiritually restless until a remarkable experience in his mid teens changed not only his beliefs, but the entire direction of his

life. This book collects and discusses some of the "pearls" of spiritual wisdom taught by this man; pearls that are as relevant to the modern Western person as they were to the Indians who first heard them nearly a century ago.
