Von Booth, 1869-1946 Tarkington : Penrod and Sam before purchasing it in order to gage whether or not it would be worth my time, and all praised Penrod and Sam:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Being a boy!
Von R. D. Allison (dallison@biochem.med.ufl.edu)"Penrod" is the humorous story of a twelve-year-old boy, Penrod Schofield, growing up in pre-World War I mid-west. He, with his dog Duke and his friends Sam Williams and the black brothers Herman and Vernon, are constantly getting into scrapes with adults. This is a celebration of the joys

of boyhood. But, one wonders what counselors and behavioral psychologists and certain physicians would do today if Penrod Schofield got into their clutches! They might even put him on medication. For just being a boy!!....."They were upon their great theme: 'When I get to be a man!' Being human, though boys, they consider their present estate too commonplace to be dwelt upon. So, when the old men gather, they say: "When I was a boy!" It really is the land of nowadays that we never discover."0 von 0 Kunden fanden die folgende Rezension hilfreich. Good and Funny BookVon Ein KundeAnother collection of tales about Penrod Schofield and his playmate Sam. Together, the two of them get into more trouble than Dennis the Menace and the Little Rascals combined.The tales contained weren't as interesting as the original Penrod however I was laughing out loud a time or two. Tarkington has the mannerisms down pat for a twelve year-old boy living around the WW1 area.This book is listed as a juvenile book, however, I wouldn't recommend it for children unless they weren't afraid of dictionaries and some politically incorrect references to African-Americans. There is also a chilling tale about Penrod and Sam finding an old gun in Sam's father's drawer and what occurred with it. Too real in today's world, however the result of the tale was sobering.0 von 0 Kunden fanden die folgende Rezension hilfreich. great...Von GeoXHow can romantic comedies about ADULTS be based on the Penrod novels?!? It just doesn't make any sense. If they really are, they must take extreme liberties with the plot. Anyway, Penrod, along with the sequels Penrod and Sam and the tragically out-of-print Penrod Jashber is a wonderful novel, which captures childhood better than anything else out there, along with, perhaps, Herman Wouk's The City Boy. Read it.

KurzbeschreibungHardPress Classic Books SeriesKurzbeschreibungHardPress Classic Books SeriesSynopsis Penrod and Sam (1916) is a novel by Pulitzer Prize-winning author Booth Tarkington. The book is the sequel to "Penrod" (1914) and focuses more on the relationship between Penrod Schofield, and his best friend, Sam Williams.
