Von Ofelia Dumas Lachtman : Pepita Talks Twice / Pepita habla dos veces (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pepita Talks Twice / Pepita habla dos veces (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Clearly, the best side-by-side children's bookLATimes 1/98Von Ein Kunde"Los Angeles Times 1/1/98 Bookshelf for young readers by Kevin Baxter Clearly, the best side-by-side children's book I've run across is Ofelia Dumas Lachtman's Pepita Talks Twice. Beautifully illustrated, the story shows how bilingual skills allow children to move seamlessly from one culture to another, experiencing the best of both as they go

Kurzbeschreibung Pepita is tired of having to translate for everyone! Frustrated at constantly being stopped to translate, Pepita decides to stop speaking Spanish, not realizing that this means she can't talk to her grandmother, sing songs with the neighbors, and worst of all, her dog Lobo won't come to her when she calls him Wolf. This colorfully illustrated picture book charmingly explores the joys and benefits of bilingualism. Capturing the beauty and flavor of biculturalism, this story of a little girl at the crossroads of the English and Spanish-speaking worlds will delight children of all backgrounds who enjoy multicultural identities."Clearly the best side-by-side children's book."LOS ANGELES TIMES
