Von Elizabeth Scott : Perfect You (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Perfect You (English Edition):

KurzbeschreibungKate Brown's life has gone downhill fast. Her father has quit his job to sell vitamins at the mall, and

Kate is forced to work with him. Her best friend has become popular, and now she acts like Kate's invisible. And then there's Will. Gorgeous, unattainable Will, whom Kate acts like she can't stand even though she can't stop thinking about him. When Will starts acting interested, Kate hates herself for wanting him when she's sure she's just his latest conquest. Kate figures that the only way things will ever stop hurting so much is if she keeps to herself and stops caring about anyone or anything. What she doesn't realize is that while life may not always be perfect, good things can happen -- but only if she lets them....

Kurzbeschreibung

Kate Brown's life has gone downhill fast. Her father has quit his job to sell vitamins at the mall, and Kate is forced to work with him. Her best friend has become popular, and now she acts like Kate's invisible. And then there's Will. Gorgeous, unattainable Will, whom Kate acts like she can't stand even though she can't stop thinking about him. When Will starts acting interested, Kate hates herself for wanting him when she's sure she's just his latest conquest. Kate figures that the only way things will ever stop hurting so much is if she keeps to herself and stops caring about anyone or anything. What she doesn't realize is that while life may not always be perfect, good things can happen -- but only if she lets them....

Mitwirkende

ELIZABETH SCOTT grew up in a town so small it didn't even have a post office, though it did boast an impressive cattle population. She's sold hardware and panty hose and had a memorable three-day stint in the dot-com industry, where she learned that she really didn't want a career burning CDs. She lives just outside Washington, D.C., with her husband, and firmly believes you can never own too many books.
