KundenrezensionenHilfreichste Kundenrezensionen6 von 6 Kunden fanden die folgende Rezension hilfreich. one of the must-reads for any LMM fans! Von C. N. SeongI have read quite a number of versions of LMM's biographies, and I think this one is one of the best. Although this isn't as rich in content as the LMM Album or the four volumes of LMM's own journals, this book is already able to give the readers the enough information that a LMM fan will want to know about this wonderful story-teller. Besides, I think this book is very suitable for teenagers to read, very suitable for beginners of LMM fans who want to know more about this author of the famous Anne books. A very enjoyable and quick read, but at the same time, very informative.1 von 1 Kunden fanden die folgende Rezension hilfreich. Hat meine Erwartungen leider nicht erfüllt Von eIch mag L. M. Montgomery sehr. Sie hat ein klares Talent für Sprache, was in der Kombination mit Intelligenz, Fantasie und Humor eine tolle Basis für Schriftsteller ergibt. So war ich neugierig auf die Frau hinter der Schriftstellerin. Leider wurde meine Neugier nicht befriedigt. Ich erfuhr tatsächlich "the story of her career" und viel über Reisen, Orte usw., aber sehr wenig über sie als Mensch. In einem Nebensatz erwähnt sie einmal ihre Hochzeit und ich fragte mich: "Wo kommt der Ehemann denn plötzlich her?", denn zuvor (und auch danach) taucht er nicht auf. Dafür beschreibt Montgomery ausführlich die besuchten Orte ihrer Hochzeitsreise. Schade! Ich glaube tatsächlich, sie war eine sehr interessante Frau und ich hätte gerne mehr über sie erfahren.

The Alpine Path is an autobiography of Lucy Maud Montgomery. Originally published as series of autobiographical essay in the Toronto magazine Everywoman's World from June to November in 1917.ber den Autor und weitere Mitwirkende Lucy Maud Montgomery is known to millions of readers the world over as the creator of Canada's most famous redhead, Anne of Green Gables. Born in the tiny Prince Edward Island village of Clifton in 1874, Lucy Maud Montgomery grew up in the seaside community of Cavendish on the north shore of the island. Opportunities for women were limited in the rural Victorian society of the time, but Lucy Maud showed an unusually independent turn of character by trying her hand first as a teacher and then as a journalist in Halifax before returning to the isolation of Cavendish to care for her widowed grandmother. It was during these thirteen long years that she wrote Anne of Green Gables and established herself as Canada's most popular and widely-read author. In 1911 she married Presbyterian minister Ewan Macdonald and moved to Ontario. Her spiritual home remained Prince Edward Island, however, and she continued to write of it with nostalgic fondness until her death in 1942
